

Greetings, I pray that God has blessed each of you with all spiritual blessings in heavenly places and caused your lives to abound; that each of you have been experiencing the triumphant power of God in your lives at unusual yet empowering measures.

Total Recovery, Total Resuscitation

Whatever you need God to do in your life, natural or spiritual, this is the season to hold to the promise and remain faithful to the promiser (God). As each of us reflect over our lives we can all say God has certainly shown Himself mighty in the lives of His people. In spite of any hardships, trials, afflictions, family crisis, health issues, etc., God has faithfully seen us through and granted us strength (supernatural strength) to stay the course of His will; had it not been for the Lord who was on our side...

I want to celebrate and appreciate each of you for the labor of love you have shown and do show to the saints as well as the work of the ministry. God is certainly our entire source, but He has placed us into each other's lives to encourage, inspire, support and pray for one another. Souls have been won to the kingdom, God has given increase to our church body, and people are becoming an active part of the work of the ministry and so much more; all because we as a body of believers choose to seek the Kingdom of God and His righteousness.

Let's continue to love each other to life. We are not always certain what the years will bring or what will unfold before us; but whatever comes our way we must keep our poise, guard our purity, find our place and fulfill our God given purpose. **"Do all things without murmurings and disputings: That ye may be blameless and harmless, the sons of God, without rebuke, in the midst of a crooked and perverse nation, among whom ye shine as lights in the world;"** Philippians 2:14-15 KJV It is our

prayer that God continues to strengthen you and your family, favor you and certainly anoint you for the advancement of the Kingdom of God as well as your life. Paul's encouragement to the Galatians is what I echo to you even now: **"And let us not be weary in well doing: for in due season we shall reap, if we faint not."** Galatians 6:9
